RE: Made in the USA

---

100 percent of the PVC pipe produced by Northern Pipe Products Inc. is manufactured in the United States of America using PVC resin manufactured in the USA. The ingredients used in the PVC compounding of resin are also made in the USA.

The Northern Pipe Products Inc manufacturing plant is located in Fargo, North Dakota.

Please consider this letter as written confirmation that all PVC pipe supplied by Northern Pipe Products Inc. is made in the USA as per the Buy American requirements of the American Recovery and Reinvestment Act of 2009.
